

# The Power and Promise of Modeling Transformational Leadership

# The Landscape of Education

More complex than simple

More challenging than effortless

More difficult than easy

More frustrating than carefree

More expectations than time

More tests than are judgment

# Considerations to ensure the quality of your journey

Be true to yourself and have the  
courage to live it out.

Be of service to others

Invite, nurture, and celebrate  
relationships that add value.

Write and select your scripts for life.

# What more shall I model?

- Great leaders rally people to a better future.
- Great leaders convene people for a deeper conversation.
- Great leaders foster mental and emotional capacity of people.
- Great leaders are “the way” without being in the way.
